

Hhhi there

Schaffhausen's most prestige fitness club, the Schaffhausen Hash House Harriers, or simply SH3 welcome YOU to their big **taster of the GNH2010 Ball-breaker run**, laid exclusively for you by Swans, a Penang Jungle hash survivor – whose trails only cobras dared to cross, but only once – and official GNH2010 ball-breaker here.

- When: **14:00 SATURDAY**, 26th June 2010
- Where: **Gotham city, or Ebringen** a bit less urban, **Gottmadingen – Germany – passport needed!**
- Why: oh good question, but certainly enough lines have been written about this run, from the abyss of doubt to the dizzy height of hope!
- Directions/Meet-up: in front of Swans' house
- Left luggage: bag drop possible
- On after: we'll gate-crash Skippy's, Chainsaw's and little Charlotte's birthday party in Schaffhausen -> address and map given at the end
- Volunteer here: Swans
- # phones: Swans **+49 152 25176663** DxC: +41 (0)794000450

The hare is offering a lift from Thayngen station (a 7 minute train journey from Schaffhausen) to the start of the run. The **S16** leaving Zurich main station at **12.47** will get you directly to Thayngen. Or the **S33** from Winterthur leaving at **12.42**, with a connecting train from Schaffhausen to Thayngen, leaving at **13.30**. **Please let the hare know if you are planning to come to the run.**

In case you drive to Swans', here's the address and a small map:

All finisher, successful or not, of the pre-ballbreaker run are officially invited to the birthday bash. Which, I admit, takes away the fun of gate-crashing a fair bit, but it will very likely make you feel more comfortable and welcome. If you think neither is possible without a personal and formal invite, take a bottle with you and down it one go, before you enter the party. That should make you feel warm and welcome!! If anything, the host will instantly know that you are a true hasher, and welcome! you!!

For those who haven't been round Strayschatz's and Skippy's. It's easiest to take **bus number 3** heading **Sommerwies** from Schaffhausen train station and get off at **stop Riet**. From there it's a couple of metres uphill. Follow your nose, or rather your ears. Or ask one of the neighbours they surely got a story or two to tell!!

P.S. if you can't come to this one, and we don't get a chance to twist your arm, to sign up for the German Nash Hash 2010, GNH2010, this one may do the trick:

If not, we'll think of something else and let you know;-)
